

# Michigan Math Club

Thursday at 4pm in EH1360  
Pizza + pop outside afterwards!!

## Frieze Your Mind

Katie Waddle

21 September 2023

Frieze patterns are mind-bending magic that mixes different parts of math. Come try your hand at a little combinatorics, a little graph theory, a little geometry, a little cluster algebras, a little straight up algebra, and a whole lot of “wait, did that really just happen?!”!
