

Math 614, Fall 2012

Instructor: Mel Hochster

Office: 2072 East Hall (do not leave materials at my third floor office)

e-mail: hochster@umich.edu

The lecture notes for this course are available as a .pdf file from the Web Page for this course <http://www.math.lsa.umich.edu/hochster/614F12>.

Grades will be based on problem sets: these will be distributed, roughly, every other week. There will be approximately 25–30 problems in total. There will not be any exams.

Please indicate with your solutions to problem sets other students with whom you have worked on the problem or other sources and resources you have used in formulating your solution. This includes Web based resources.

Solutions to Extra Credit problems should be entirely your own work.

Office hours: office hours are tentatively WF 3:10 – 4 p.m. in the Common Area or 2072 East Hall, and MWThF 8:15 – 9 a.m., in Espresso Royale, and by appointment.

I am usually quick to answer questions by e-mail.
