

# FRG/RTG Workshop on L-functions, Galois Representations and Iwasawa Theory

## May 17 – 22, 2011

University of Michigan  
Ann Arbor, Michigan

### Invited Speakers

Don Blasius  
Neven Grbac  
Haruzo Hida  
Ben Howard  
Freydoon Shahidi  
Sug Woo Shin  
Chris Skinner  
Eric Urban  
Jared Weinstein

### ORGANIZERS

Kartik Prasanna (Local organizer),  
with Don Blasius, Haruzo Hida, Chandrashekhara Khare, Chris Skinner and Eric Urban

### SPONSORS

We gratefully acknowledge support from the National Science Foundation, Number Theory Foundation, Michigan Mathematical Journal and the University of Michigan, through grants from LSA (College of Literature, Science and Arts), OVPR (Office of the Vice President for Research) and the Rackham Graduate School
