

SLC Study Groups

Small group of up to 15 students working together to review material, solve problems, discuss concepts, ask questions, and prepare for exams

Two-hour weekly meetings, extra exam review sessions, and supplemental study materials

Facilitated by a fellow student who has taken the class successfully and received training in facilitation techniques

Study groups for the FALL 2020 term will be taking place online via Zoom. Upon registration for a study group, you will receive the contact information for your study group facilitator in order to request a meeting link.

Join an SLC Study Group
